## FRED PRYOR SEMINARS

### Creative Leadership

for Managers, Supervisors and Team Leaders

■ Create a team environment that is supportive, productive and fun!	■ Eliminate negativity, lack of enthusiasm and poor attitudes in your team.
■ Strengthen morale and keep employees satisfied.	■ Implement a fool-proof reward system that energizes employees to higher levels of performance.
■ Inspire employees to reach – and exceed- their potential.	■ Create an enjoyable, exciting work environment that encourages and rewards creativity.
■ Gain more credibility and respect from coworkers, colleagues and employees.	■ Identify what people need from their leaders and exactly how to give it to them.
